

WELCOME TO PM CITY!

Welcome to **PM City** – your interactive online preparation for 6th edition of the Project Management Professional PMP Exam!

You purchased a **key to the city**.

Congratulations for embarking on the amazing and challenging journey to PM City. You are in good hands. This course is designed and developed to make your learning as productive and as effective as possible.

To get to your neighborhood and to start exploring, you need the key that unlocks your section of PM City. You received your key in the email confirming your PM City course.

To use your key, you must first get to the portal. In your web browser go to, <https://crowd.myabsorb.com/#/signup>

On this screen, enter your key code and click Sign Up

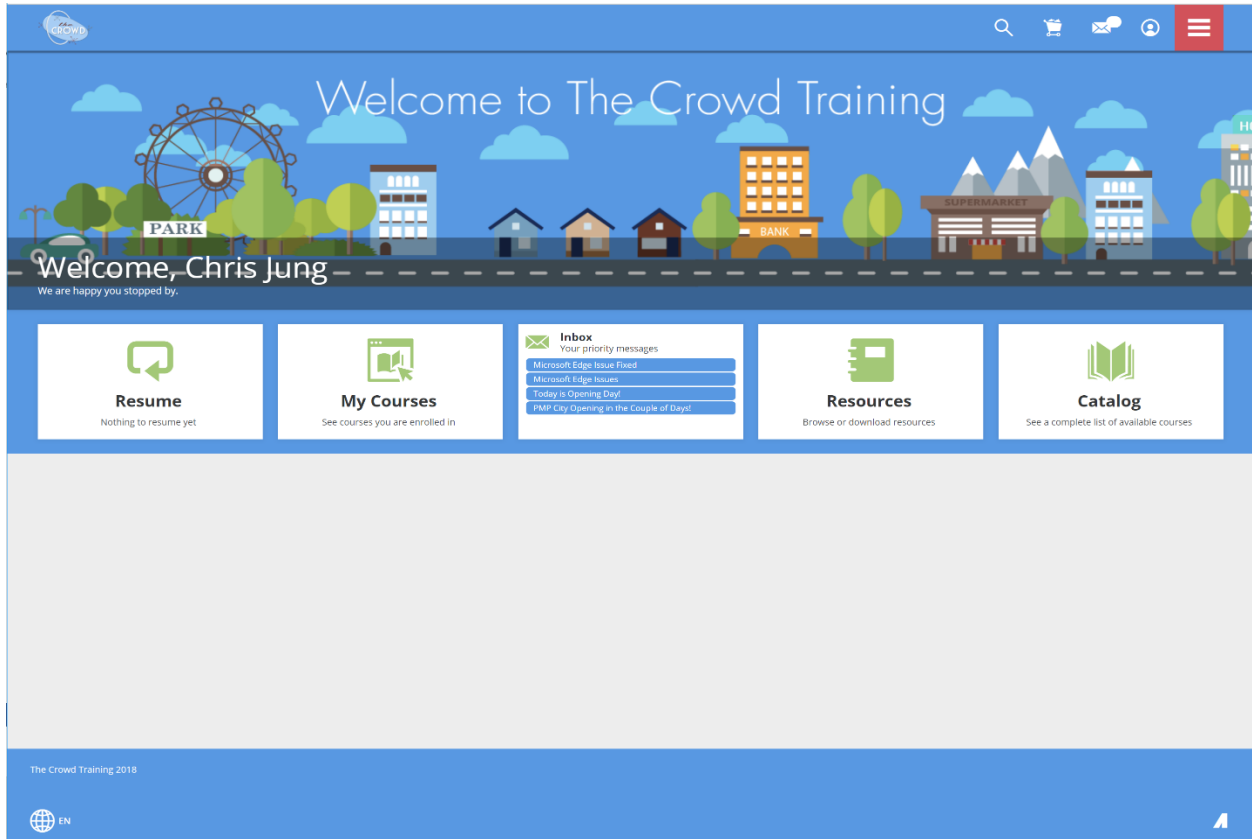

A screenshot of a web browser showing a "Sign Up" form. The form is white and centered on a blue background with white clouds. The text on the form reads: "Sign Up", "Enter your key code and enter PMP City!", and "Key Name" followed by a text input field. Below the input field is a blue "Sign Up" button. A black briefcase is visible at the bottom left of the form area.

Then enter the required fields. The name must be what you want to appear on your certificate of completion. This is extremely important for your PMI Application, if you plan to sit for the PMP Exam. The email entered **must match** the email used when key was purchased.

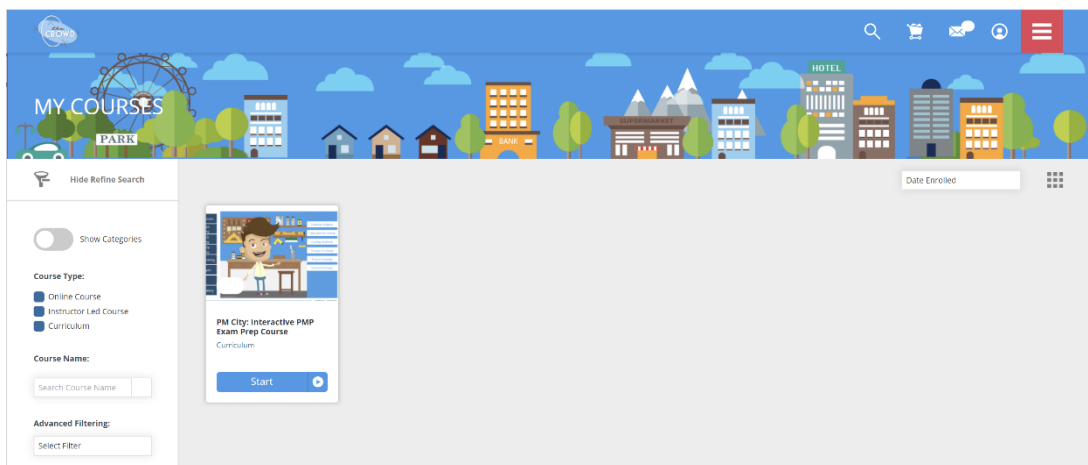

Now you are in your PMP City education portal. Your course is viewable by clicking on the **My Courses** box.

- After starting your course, you may resume exactly where you left off by clicking the **Resume** box.
- Any universal resources are in the **Resources** section.

By clicking the **My Courses** box, your course(s) is listed.

Clicking **Start** on your course opens the PM City course and all its 'neighborhoods'.

When you are ready to enter any neighborhood and begin that course content simply click [Enter Neighborhood](#).

You are then transported to that [neighborhood](#) and your learning on that topic can begin!

Most neighborhoods consist of a [Guide](#) for that neighborhood, the primary interactive 1-3 hour [lesson](#), a practice [exam](#), and tasks such as [reading](#) the corresponding PMBOK© chapter. In some cases, there are additional videos, lessons, and content.

To return to the full PM City, simply click the **back arrow button** in the upper left corner.

When you are in the interactive lessons, there are tours in the various sections that appear the first time you visit. The tour provides a lay of the land and suggestions on how to best navigate the content.

Here is an example of overview of a neighborhood. There are lessons about the knowledge area, trends, and tailoring considerations. There are links to each of the processes.

As each process, there are lessons explaining the [process](#), discussing the [inputs](#), explaining each of the [tools and techniques](#), describing the [outputs](#), covering [agile](#) related concepts, a whiteboard [drawing](#) explaining and reviewing the process, additional terms, [documents](#), or concepts, PMP [exam notes](#) and advice, and a learning [game](#). Enjoy!
